PCA Summer Day Camp 2014

Parents,

Are you looking for a fun, exciting, safe and creative place for your children this summer? Come join us!

At PCA's Summer Day Camp, the days are fun and full: learning in the gardens, preparing and eating vegetables, exploring and identifying trees and insects, playing games, music, singing, arts & crafts, and carrying out science experiments. Children will learn about each other and the world around them.
